

## **Guest Sign in Instructions**

To fly at the Ocala Flying Models Club you MUST have on display a current OFMC ID badge, a temporary OFMC ID badge or an OFMC Guest ID badge issued to you. If you do not have one of the required badges, you cannot fly at this property.

## **Guest ID Badges**

Guest flying privileges are extended to visiting AMA members who are properly FAA registered for a maximum of 3 one day periods per calendar year not including OFMC sponsored events There are only two (2) numbered Guest ID Badges (colored yellow) available per day. These badges, when not in use, are kept with the signup sheet. You may not remove one of the badges unless you have fully completed the sign-in form. You must return the badge at the end of your flying session or no later than dusk on the day of issue. As a guest flyer you are required to have an OFMC member sponsor you. The sponsor must be present any time you are flying. You certify by accepting the guest badge that you have read and agree to fully comply with all OFMC Field Rules which are posted in the Pavilion.

**Failure to comply with any requirements of this policy will render you ineligible to fly as a guest at this facility.**

## **RV Parking Area Requirements – Members and Guests**

Our Use Permit from the State of Florida states that no alcoholic beverages are permitted on park property. This includes all of the OFMC site. Violation of this regulation will result in termination of all RV parking and flying privileges and you will be required to promptly vacate the site.

Members are only permitted to camp at the field up to four (4) days during any 30 day period and non-members are only permitted to camp during events that they are participating in (including a day or two before and one day after the event.)
