Dom,

- Big thanks to Gary D. and Jack K. for great Swap Meet.
- Reminder to put away umbrellas, chairs, etc. when last one leaving. Be sure to lock the gator shed and main gate.
- The Florida Greenways contacted Jesse with concerns about planes flying over the Recycle/Trash drop off center. Have a spotter anytime you aren't 100% sure of your flying well within the boundaries.
- Willard Lee and Ricky Vaughn have passed away.
- Turbines can only be flown at OFMC by members. No guest turbine pilots, no exceptions.
